UNISALENTO'S MISSION

The national lowering's trend of student enrollments at the University, also affects Apply to Unisalento leaky "xy" enrolled 2009-2014 (Master MIUR);

It's necessary to pursue the following objectives:

- Improving the attractiveness of Studies and reduce barriers to attract students;
- Make the territory, a thriving ecosystem to develop new innovative business ideas, start-ups and spin-offs and improve the opportunities for job placement;

CONCLUSIONS...

Connecting cities
Building successes

EUniverCities

URBACT II

The most important purpose of a university student is to do an extraordinary experience of cultural growth, which is their main opportunity to integrate into society as subject conscious, critical, purposeful and active, to the benefit of the community.

University of Salento should INCENTIVES LECCE TO BECOME A REAL SMART and Univercity CITY;
also to HAVE A GROWING INTERNATIONAL OPEN.

Connecting cities
Building successes

THANK YOU
