

**LINKÖPING**  
Where ideas come to life

# Five basic strategies for cooperation with universities and colleges

1. Leading role for beneficial cooperation
2. Support research and development
3. Support entrepreneurship through the University, Science Parks and Clusters
4. Develop a closer working relationship between the world of the University and the municipal administrations and businesses
5. Provide attractive environments in which to live and work

# Local Action Plan for the development of the university and the student city of Linköping

- The plan is the first of its kind in the region and the first joint undertaking between Linköping municipality and Linköping University.
- The priority areas of Local Action Plan plan are as follows:
  1. *Methodology for expanding cooperation*
  2. *Broaden international collaboration*
  3. *Enhancing appeal through spatial planning*
  4. *Joint marketing activities of the city of Linköping*
